(Rabbit Hole):
Everyone is right and everyone is unhappy

. Everyone is right.
. Everyone is right.
Everyone is unhappy
Everyone is unhappy. Everyone is right.

Pianist hands,
Labored hands,
Chinese sweatshops.

“And now look at your right for me. And your left. And your right. And your left.”

Good Job.
Good Britain.

Move.
Movement.

Roses 3D.
Roses for Britain.
Haribo sweets.
Collapsed concertina.

A Protester with a banner that says: “nothing”.

White skies, rich tea biscuits.
White vans, hole in the sea.

To give oneself to the stain.
So to launch a new product.
New and intangible, immaterial.
Professional great woman or man.

Oh experts of communication
Oh brand consultants
Oh marketing strategists
United we stand,
Flattened and prudent.
On top of one another
Solid and neat.

- Free - enterprise.
- Free - markets.
- Free - food, Food Banks,
Free Banks! - Free food -
And a little - freedom - to speak.

DAILY DISTORTIONS.

DISTRUST.
DIVIDE.
FEAR.
And “one of those Bellamy’s Veal pies”.

All Hallows' Day,
Midsummer’s eve...
For Britain,
A petite br e a k ing “Oui!”

Yes. No. Yes. No. Yes. No. Yes. No. Yes. No.

Change or go.
